

Medical Device Services

Who We Are

At Regulatory Compliance Associates Inc (RCA), we provide worldwide services to the **Medical Device and Combination products** industries for resolution of compliance and regulatory challenges.

Our backgrounds include every facet of R&D, operations, regulatory affairs, quality and manufacturing. We are used to working on the front lines and thriving in the scrutiny of FDA and globally regulated companies.

As your partners, we can navigate the potential minefield of regulatory compliance with insight, hindsight, and the clear advantage of our unique expertise and experience.

Founded in 2000

Headquartered in Southeastern Wisconsin

Offices in Florida, Colorado, and Central Europe

Backed by over 500 industry SME's

ISO 9001:2015 Certified

Regulatory Affairs

Regulatory Affairs is our backbone, and we handle more submissions in a month than many manufacturers do in a lifetime. From assisting with small protects all the way to Outsourcing your entire Regulatory Affairs department. We have experience working with the FDA, global regulatory bodies and / or agencies, and notified bodies worldwide, therefore you can count on us for in-depth and up-to-date insights which increase speed-to-markets.

Compliance Assurance

Increasingly, Life Science companies are feeling the pressure of greater scrutiny by regulators, and responding by developing sustainable compliance strategies. Whether it's preparing for an audit, developing a response to an FDA finding, or remediation to an adverse event, RCA can help.

- Assessments
- Internal Audits, Contract Manufacturing & Supplier Audits
- Regulatory Agency Action Response
- Notified Bodies Responses

Quality Assurance

RCA's consultants are Quality experts with experience spanning start-ups and major corporations. We know firsthand how to achieve, maintain, and improve quality, and we excel in transferring this knowledge to your organization.

- Outsourced Quality Support
- Staff Augmentation
- Quality System Implementation
- Risk Management (ISO 14971)
- ISO 13485, 21 CFR Part 820

“RCA’s expertise helped complete the submission, leading to the CE Markings and enabling continuity of existing products and expanded distribution of new product. Based on this successful experience, we will gladly look to RCA for future needs in clinical evaluations.”

—Senior Vice President of Quality & Regulatory Affairs

Remediation & Strategy Support

RCA is widely recognized for it’s ability to help companies successfully resolve complex regulatory challenges. Our value goes beyond the initial response by helping companies execute their plans. Our unique expertise and experience makes partnering with us a competitive differentiator in the remediation space.
